

Dear resident,

We'd like to introduce you to a program that you are now eligible for as resident of Presque Isle Housing Authority, the ROSS Program!

R.O.S.S. stands for **Resident Opportunities & Self Sufficiency**

This program connects residents with needed services, empowers the families we serve, and assists residents in becoming economically self-sufficient. The ROSS program links residents with supportive services and activities, enabling them to make progress towards economic independence and housing self-sufficiency. Our goals include increasing earned income for families and enhancing quality of life through employment assistance, financial literacy, education, and health and wellness activities.

Meet your ROSS Service Coordinator, Shelby Wilson!

Through needs assessments, personalized goal setting, and referrals to community and web-based services, your ROSS Service Coordinator, Shelby Wilson, can help each participant advance towards the above goals in ways that best fit their needs, personal priorities, and interests.
